Purchase of our own Juke Box

The Association after the great success of our Rock and Roll month in May have been able to purchase our own 1960's Juke Box with over 5000 tracks for you to play.

For all of you who attended one of our Rock and Roll events last month I am sure you will agree that we provided a great and diversified range of bands. Many of them new to the Tavern and in light of this we are introducing a great line up new bands for the next few months as well.
